

#STAYHEALTHY

The health and safety of our participants, employees and service providers is of utmost importance for the BMW and MINI Driving Experience. So, please make sure you follow the key hygiene regulations and rules of conduct for protecting against coronavirus (Covid-19). In this way, we can help to stop its spread together.

IN ADDITION TO THE GENERAL CODE OF CONDUCT, PLEASE ALSO NOTE THE FOLLOWING:

- Accreditation at the venue is not possible. So, it is essential that you check in online at home before the training course.
- As before, face masks must be worn at all our training courses and events. As circumstances change during the events, please bring **both types of mask** with you – i. e. a **mouth & nose mask (“medical mask”)** and an **FFP-2 mask**. Wearing a “community mask” is still not permitted.
- Please keep a minimum of 1.5 metres between yourself and others.

WE KINDLY REQUEST THAT YOU DO NOT ATTEND THE TRAINING COURSE IF YOU ANSWER “YES” TO ANY OF THE QUESTIONS LISTED AT THE TIME OF BOOKING AND THE COURSE YOU WISH TO ATTEND WOULD BE TAKING PLACE SHORTLY AFTER BOOKING.

PLEASE BE SURE TO ASK YOURSELF THE FOLLOWING QUESTIONS BEFORE THE START OF THE TRAINING COURSE:

- QUESTION **1** Have you been under official quarantine or required to self-isolate at any time during the past 14 days (e. g. after coming into contact with someone who has Covid-19 or returning from abroad)?
- QUESTION **2** Do you currently have a temperature over 37.8° C (measured after getting out of bed) or are you experiencing chills?
- QUESTION **3** Are you suffering from a sore throat, aching muscles/limbs, a cough or shortness of breath that cannot be attributed to another known cause (e. g. allergy, sporting activities)?

Please note that you cannot attend the training course if you answer “Yes” to any of the questions before the start of the course. In this event, please call our customer hotline without delay on +49 (0)89-1250 16 444 (Monday–Friday: 8 am–5 pm, at the current local rate).

We are constantly monitoring the coronavirus situation and will keep you informed, as required, on the latest developments. Due to the fast-moving nature of the infection rate, it is possible that we will have to cancel training courses or you will wish to cancel your booking.

THE KEY RULES OF CONDUCT AT A GLANCE.

KEEP AT A SAFE DISTANCE.

Keep a minimum of 1.5 metres between yourself and other people, and avoid any contact such as shaking hands.

WASH YOUR HANDS FREQUENTLY AND THOROUGHLY.

This is the best protection against contagious infections. Important: wash with soap for at least 30 seconds.

WEAR A MASK COVERING THE MOUTH AND NOSE.

To minimise the risk of infection to yourself and others, avoid touching your eyes, nose and mouth.

SIGNS OF ILLNESS.

If you feel ill, we kindly request that you do not attend the training course. Ask yourself the above questions then consult your doctor if necessary.

SNEEZE AND COUGH THE RIGHT WAY.

If you sneeze or cough, move back from other people and turn away. It is best to sneeze or cough into a tissue or, alternatively, into the crook of your arm.
